Dear Fairest of the ugly,

I'm flying up that way on Feb 22 for a 2-day visit with Jim and Tonna Wilson. Jim is being transferred to New York for 2 years and may then go to Europe. They are selling their place in Santa Clara and moving within the month. That's the reason for the visit. If you play your cards right, I might drop in on you. Also, see if you can get one of those days off (Feb 22-23) so that we can all stare at you and snicker. Otherwise, I may hit you in the head and make you crazier.

Enclosed is my entry to Playgirl Mag in the Burt-Reynolds-look-a-like contest to be used as a centerfold. They haven't answered me yet but I have been getting a lot of strange mail from fats, fems, and weirdos. I'm planning some more enticing shots as soon as my pubic hair grows back. (Damn radiation!)

Sensually yours,

Jus
